

We are proud to be an

**a town
explores
a book**
festival school

In 2025 the book choice is

Gideon Mantell's
**scientific paper naming
the Iguanodon species**

"in the summer of 1822, (fossilised teeth)
were discovered ... indicating something
novel and interesting"

#ATownExploresABook25 3rd - 21st April

A reader-led festival in St Leonards-on-Sea
of creative responses to a heritage book.
